I think what we need first is good leaders. Then, if they are man or woman is less important . But it's true for nowadays that womens don'T HAVE REACHED the ecuality whith men yet. Then , if both of they , woman or man, are good leaders, I'd vote for the woman because of the stimulus for young people.

Because It Will have a great repercussion on the social policies and on the people's mind

There has never been a female president

It is a good message for yong women

Because in general, women are more rational
